

Volunteer Role Description

Engagement Liaison Representative

What is an Engagement Liaison Representative?

An Engagement Liaison Representative is a volunteer who helps us to spread awareness of who we are and what we do and help us to gather information and feedback about issues in their communities by attending forums, meetings, and events.

What's involved?

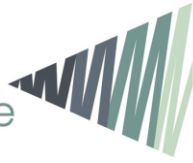

- Collects information, updates and news from events/meetings/groups and feedback relevant information to the ESCV staff team.
- To raise issues at events/meetings/groups forums as directed by the ESCV staff team.

What's in it for you?

- Becoming part of a friendly and dedicated volunteering team
- Meeting people from all walks of life
- Using and building your communication skills
- New experiences and learning new things
- Free on-going training opportunities

This role will suit people who:

- Are strong communicators
- Are good listeners
- Are observant, discreet and professional
- Have a genuine desire to improve services
